Living the “Dream”

Psalm 37:4

“Delight yourself also in the LORD, and He shall give you the desires of your heart.”

As we said goodbye to our friends before our long road trip, one of them mentioned that we were living “the dream life” of being able to be on the road so much. We are not sure what others may dream of doing, but countless hours in a minivan with three sometimes cranky kids is not really our idea of a dream life. Yet in traveling many miles the “desires of our hearts” are being fulfilled knowing that we are doing what the Lord has called us to do. As we *delight in Him* and as we find our joy and fulfillment in Him, our hearts are aligned with His purpose for our lives. We can then say that *He is fulfilling the desires of our heart*: not our selfish, vain, and fleeting desires, but those dreams that stem from a passion for seeing the name of our Lord proclaimed throughout the world and from a desire to make our lives count for eternity.

New Camp Logo

One of the highlights of being in new churches is meeting new friends. That was the case when we visited Valley Bible Church in Auburn, WA. We had the privilege of spending some time in the home of Chris and Angela Miller.

As we shared with them our heart for the Chileans and the camping ministry in Chile, they jumped to the opportunity of creating a logo for the Southern Camp. Within a matter of minutes, the logo had taken shape and after a few little tweaks here and there, it was done. What talent!

Thank you Chris and Angela not only for your hospitality but also for using your talent to help the camps in Chile.

What do you think of the new logo? Please e-mail your comments to :

Thank you for Praying ...

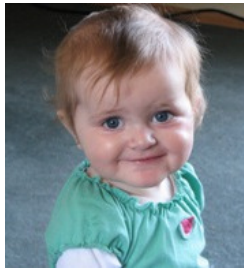

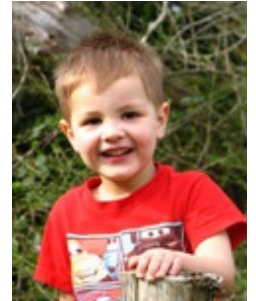

Thank you for praying for **Micah**. He is our social bug. He can find new friends in any church we go to. When Morgan is sad, he is the first to make her smile and laugh.

We thank God for his sweet spirit and pray that soon he would understand his need for a savior in Jesus.

Thank you for praying for **Matthias**. Known as Peanut in our family, he loves to play by himself. Traveling can be hard on him but we keep him busy coloring and reading books in the van. He loves to sing and his favorite chorus is: "Jesus loves me".

We thank God that he is growing healthy and strong but we also pray that he would grow to love Jesus above all else.

Thank you praying for **Morgan**. She is getting harder and harder to keep up with now that she can crawl. Between that and eating at the table with us she is growing up fast. In May she will be one already!

We thank God that she is easy going and flexible and pray that someday she will be molded into Jesus' image.
