*March 2007*

### Back Up Again !

Did any of you notice there was no February newsletter? Well, believe it or not it was written and ready to be sent out to all of you, but our computer crashed and we lost all of our information including the latest issue of the Southern Cone Connection. We still hope to retrieve the lost information off of the hard drive but it's too soon to tell yet. We hope you will like the new and updated format of the Thompson's Southern Cone Connection newsletter.

### Many Miles Traveled !

We have not been inactive during the months of January and February. We have traveled to four different churches in the Washington area and were greatly encouraged by the warm reception in all of them. Please continue to pray for us as we fill our schedule. We pray that the Lord will open the doors HE wants us to go through during this time of pre-field ministry. Here is our upcoming schedule of events:

#### **March 2007:**

- 4th: Preaching at Faith Baptist Church, Sequim WA
- 5th-7th: IFCA Regional Conference, Renton WA
- 11th: Meeting at Brier Community Church, Brier WA
- 18th: Mission's Conference Independent B. Church, Pt. Angeles WA
- 25th: Meeting at Valley Bible Church, Sumner WA

#### **April 2007:**

- 1st: Meeting at North Bonneville Community Church, WA
- 15th: Harrah Community Church, Harrah WA
- 25th: Meeting at Southwick Bible Church, Kendrick ID
- 29th: Meeting at Coeur D'Alene Bible Church, Coeur D'Alene ID

Please pray with us as we visit these churches that we would have an open door to share our burden for the Chilean people and that God would call others into His service.

**Micah** has sure grown a lot lately. He will be five in June and can't wait to have his birthday. As unlikely as it seems, he loves school and begs to do more each day. He has learned all his letters and numbers and is starting to use some reading skills.

**Matthias** is three and full of energy. He is looking forward to spring and summer when he can spend more hours playing outside. His favorite indoor game is setting up his wooden train set and devising numerous scenarios for his trains. He also has an interest in school and is following closely what Micah is learning each day.

**Morgan** is our little sweetie. She is nine months old and has two teeth to chew with. She never gets tired of watching her brothers play around her and has found out that by rolling around she can join in the fun. She has a very sweet disposition and is a talker already. She keeps us entertained.

**We would covet your prayers concerning our three children that the Lord would soon draw them to himself and that they would realize their need for a Savior in Jesus Christ.**

### Support Update !

In the last few months we have seen our support fluctuate. We have lost some individual supporters but also seen one of our churches up our support. We remain at 53% but are confident that God will see us to the field of Chile by November 2007.

Would you pray with us for this? We are dependent on the prayer and financial support of faithful men and women of God. Thank you!

### Breaking News !

We are thankful to the Lord for his provision of professional kitchen equipment for the camps in Chile. We were able to purchase two industrial size fridges, a 60 quart mixer, an industrial freezer and two ovens from friends of ours who owned a bakery in the town of Port Angeles, WA. Praise the Lord!

### Our Verse For This Month

II Corinthians 5:20 and 21

Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God. For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.
